## October Newsletter

October is designated the awareness month for many health-related causes, including breast cancer, lupus, eczema and spina bifida. October is also dedicated as the apple, caramel, dessert, pasta and pizza month.

October has 31 days and the birth stones associated with this month are pink tourmaline and opal. The month's flower is the calendula, and its zodiac signs are Libra and Scorpio. Some other important events that occurred in October include the launching of Sputnik 1 by the Russians in 1957, the Great Chicago Fire in 1871, and the landing of the Mayflower at Plymouth Rock in 1620. In baseball, the World Series usually takes place in this month as well.

Remember, there is no heat in our museum, so our fall/winter/spring tours are dependent on the weather. A big THANKS to all the visitors, donors, members, and volunteers. Its with your help that we are able to keep the Museum/Jail open and available to the community. We appreciate your continued support. We are looking forward to 2019 and ways to continue to preserve and share the history of the Rathdrum area. We welcome any participation and would like to hear from you!

Join us on OCTOBER 27 from 5pm — 7pm for another Family Halloween 2018 at the Kootenai County Jail Museum ... trick or treats for kids ... tours of the haunted jail ... presentation on The History and the Mystery by East Washington Paranormal Group.
