February Newsletter

Valentine's Day and February are like synonyms. We can even say that Valentine's Day *owns* February! The month gets with itself all the lovey-dovey energy in this world. All you see and feel is love, hearts meeting (and breaking), roses, chocolates, and those sparkles in the eyes. Since the 19th century, handwritten valentines have given way to mass-produced greeting cards. The flower is the Violet and the Common Primrose. The birthstone is the Amethyst; It symbolizes piety, humility, spiritual wisdom, and sincerity. The Zodiac signs are Aquarius - February 1 - 19, and Pisces February 20 - 28. A Leap Year is always in the month of February and is a year containing one or more extra days in order to keep the calendar year synchronized with the astronomical or seasonal year. February 29 is a date that occurs only every four years, and is called Leap Day. This day is added to the calendar as a corrective measure, because the earth does not orbit around the sun in precisely 365.000 days. In the English speaking world, it is a tradition that women may propose marriage only on Leap Years.

There is no heat in our museum so we are not open during the winter months. A big THANKS to all the visitors, donors, members, and volunteers. It's with your help that we are able to keep the Museum/Jail available to the community and we appreciate your continued support. We are looking forward to our 2019 season and continuing to preserve and share the history of the Rathdrum area. We welcome any participation and would like to hear from you!
