April, 2020 Newsletter

First, we hope that you and your family are safe and healthy during these challenging times. We know that there is much uncertainty in the world and not all questions can be answered. We will get through this. It is very difficult at this point to determine what the ultimate impact will be but we believe in a positive outcome. Americans have proven their ability to innovate, cooperate and overcome challenges.

April is during the season of Spring, which happens to be the best season. It is not too hot and it is not too cold. You can get a little bit of rain and a bit of sun (and so far this year we have had a little snow) all on the same day, and still be able to appreciate the rainbows. April 1 - April Fools' Day, April 8 - Passover begins, April 10 - Good Friday, April 12 - Easter Sunday, April 22 - Earth Day, and April 24 - National Arbor Day. Diamonds are the birthstone and are commonly associated with love. April's birth flowers are the daisy and the sweet pea. The daisy symbolizes purity, true love and innocence.

 Spiritual Meaning of April ... A balanced equilibrium. It's a time of growth and moving forward in new and positive ways. With psychic energy in abundance, it is the ideal month to start meditating for the purpose of healthier living and raising consciousness.
